Oxford University Press	Reading and Creating / Reading and Comparing obook/assess	Written specifically for the new 2016 Study Design, <i>Reading and Creating / Reading and Comparing</i> comprehensively covers Area of Study 1 of the new Study Design in a write-in textbook format, using student-friendly language. Ideally used at Year 11 and carried into Year 12, <i>Reading and Creating / Reading and Comparing</i> will prepare students for VCE English success.	\$29.95		
Oxford University Press	Reading and Creating / Reading and Comparing Teacher obook/assess	Using a broad selection of text extracts (including text pairings in the 'Comparing' section), the book covers topics including: textual features, understanding texts, analytical writing, creative writing, reading for comparison, making connections and contrasts, and comparative writing. Additionally a helpful toolkit provides templates, annotated sample responses, practice SAC and examination tasks, and a glossary.  <b>Written by a team of four exceptional English educators – Kellie Heintz, Michael Horne, Timothy Nolan and Rachel Williams – several of whom have been involved in shaping the Study Design, Reading and Creating   Reading and Comparing will ensure easy implementation of the new course. The text is supplemented digitally with obook and assess, including further support for EAL students.</b>	\$101.95		
Oxford University Press	Senior English Skills Builder obook/assess	The third edition of <i>Senior English Skills Builder</i> has been updated to prepare pre-VCE students with the skills they require to achieve success in VCE English. Ideally used at Year 10, this workbook includes units aligned to the new 2016 Study Design and the Australian Curriculum. Students will develop the skills needed to write analytical, creative and comparative responses to texts. Moreover, they will hone their ability to analyse persuasive language and argument, develop and present argument, improve oral communication and prepare thoroughly for an English examination. Students who complete this program will be equipped with the writing skills required for success in VCE English with units covering punctuation, grammar, parts of speech and spelling strategies. The text provides opportunities for students to analyse high-scoring responses and to assess their own writing and also includes many suggestions for text pairings suitable for pre-VCE students. Kate Tehan joins original authors Amanda Ford and Elizabeth Haywood to deliver this valuable resource, which is further supplemented digitally with obook and assess.	\$24.95		
Oxford University Press	Senior English Skills Builder Teacher obook/assess		\$101.95		
Oxford University Press	Skillworks 1 Australian Curriculum Edition obook/assess	This homework program offers activities in comprehension, grammar, punctuation, spelling and vocabulary, reinforcement of skills across the series, a simple and time-efficient marking system, perforated and hole-punched pages for easy removal and storage and assessment record sheets for students to track their own progress.  <i>Skillworks</i> titles are now accompanied by digital obooks for the first time. Oxford's premium digital resource for students and teachers, obooks are available as a standalone resource and are also included with every Skillworks book purchase. The obooks offer students online and offline access, on any device, to a digital version of the text as well as the ability to add notes, bookmark, highlight, access the integrated complimentary Concise Oxford Dictionary, save answers and export work.	\$18.95
